

How to find us!

- Upon Leaving the **O.R. Tambo International Airport** (previously known as Johannesburg International), take the R24 Johannesburg.
- You will pass two off ramps, namely, **Barbara Road**, and **Van Riebeeek Avenue**.
- You will eventually approach the **N3** "Golden Highway" interchange (Gillooly's Interchange). This section of road is normally very busy and can be quite confusing, so please drive carefully.
- The road splits into 3 sections - the left takes you onto the N3 / N12 Durban Highway, and the right remains the R24 Johannesburg CDB road. Take the middle lane which becomes a sharp left turning circular slip road onto the **N3 Pretoria Highway**.
- You will follow this all the way to the **Rivonia Road offramp**. This section of the **N3** is known as the Eastern Bypass, and you will pass the following off ramps, **Linksfield Road**, **Modderfontein Road**, **London Road** and **Marlboro Drive**.
- You will then approach a large interchange (Sandton Buccleuch Interchange) with the M1 Johannesburg Highway to the left and the N1 Pretoria Highway to your right. Please continue straight ahead. The section becomes known as the Western Bypass and is the **N1 Bleomfontein Highway**.
- The next off ramp is the **Rivonia Road** turnoff. This will take you to safely to our offices. Coming off the highway, turn left at the Rivonia Road traffic lights and follow the directions in the large circular diagram.
